

JOB DESCRIPTION: Hybrid Entertainment Intern

Diggity Dom Entertainment

Location: Hybrid (Remote Administration & Social Media / In-Person Events & Sessions)

Position Type: Internship (Non-paid / Experience-Based)

Compensation: Performance-based earnings potential at select live events.

Eligibility: Open to High School students, College students for credit, or any individual seeking hands-on industry experience.

Company Overview

Diggity Dom Entertainment is a high-energy hub for professional DJ services, live event production, and creative media. We specialize in curating unforgettable atmospheres and top-tier entertainment experiences that bring music to life. From the studio to the stage, we provide the pulse for premier events and high-level audio production.

The Role

We are seeking motivated, "all-in" candidates for a **Hybrid Internship** that offers a 360-degree view of the entertainment industry. This role is designed for someone who is as comfortable managing digital tasks as they are working in a fast-paced event environment. You will bridge the gap between our office operations and our live entertainment presence.

Key Responsibilities

- **Social Media:** Assist in executing strategies for Instagram, TikTok, and Facebook using **Buffer** and **Meta Business Suite**.
- **Content Creation:** Capture **Behind-the-Scenes (BTS)** content during recording sessions and live events; edit short-form videos (Reels/TikToks).
- **Operations:** Manage tasks and project timelines within **ClickUp** and support general office organization via **Google Workspace**.

- **On-Site Support:** Assist at live events and during recording sessions to ensure smooth production.
- **Networking:** Engage with industry partners and sponsors to expand the brand's reach.

What You Will Gain

- **Hands-On Experience:** Direct involvement in professional recording sessions and live event production.
- **Portfolio Building:** Build a professional creative portfolio with real-world entertainment content.
- **Industry Networking:** Access to professional DJs, producers, and event coordinators.
- **Earning Potential:** Opportunities for performance-based earnings at select live events.
- **Academic Credit:** Verification of hours for High School or College credit if applicable.

Requirements & Qualifications

- **Passion for Entertainment:** Genuine interest in music, DJing, and live event production.
- **Reliability:** High responsiveness to team communication and ability to meet deadlines.
- **Flexibility:** Availability for remote work and in-person events (including evenings/weekends).
- **Technical Setup (Optional):** Access to a personal laptop or a smartphone capable of high-quality video is preferred, but not required.
